Dear Friends,

Sep'18

Excerpts from recent letters:

“Thank you for the box you sent...the Nave (Topical bible) is so very good for study, the small old and new bible I have it to my wife as a birthday gift to her. We are very happy you are a part of the ministry here, we like the small bibles (Gideon N.T. with Psalms and Proverbs) to give schools for our school ministry, and we give the bibles to the police, we have bible study in police station every Monday.” Pastor Jolliben Carreon, Cebu, Philippines

“I, Elson Thanglunmang ... and a student of Faith Bapt. Bible College and Seminary, Kerala, India...My great pleasure is to preach the WORD and lead God's people into life of worship...I have a burning desire to share the gospel through preaching and personal evangelism...I have a hard time collecting materials for my studies and ministries due to lack of finances. I have great expectations in TAP Ministries as I have read through the testimonies of several ministers around the world near and far who were blessed through your ministry. I humbly request you to extend your helping hand in providing materials.”

Elson enclosed a long list of desired books for his studies. We had 13 of the books he requested! This letter is indicative of the many letters we receive each month from Bible Seminary/Institute students who need study materials. We try to provide the specific book, author or comparable topics to meet their needs.

We attended a used book sale in Lancaster this month and gleaned 37 books profitable to the ministry.

Two volunteer workers helped this month to sort and discard older periodicals and devotionals while another volunteer packed unusable books for American Global Literature, Clay Book Store and LifePath Christian Ministries' Thrift Store in York, PA.

Patty & I took a 4-day bus trip to Ocean City, MD to enjoy good weather, the SunFest Activities and the Kite Festival. We had to stop and eat at several restaurants we like down there. Four days of eating out but also four days of long walks on the boardwalk. I only gained 0.6 lbs.

I picked up material at two churches in the Millersburg area and came back with 11 boxes of material including 6 boxes of books from a Pastor who was downsizing his library. We sent out 4 USPS flat rate cartons to national pastors and bible students: 2 – India, 1 – Ghana and 1 – Philippines.

Patty continues to make headway in organizing our many shelves. Now she knows where everything is and I have to relearn where various extra books and authors have been stored.

Thank you again for your interest, love, prayers and support.
